

# STERISOL SWEDEN Shower Gel & Shampoo

## Properties

---

A synthetic, lightly perfumed, mild shower gel and shampoo for the whole body.

The product is gentle thanks to the following:

- Contains no colourants.
- Selected raw ingredients with a focus on the skin.

The pH value of this product is approximately 5.

## Fields of application

---

The product can be used with both hard water and saltwater. An excellent choice in many industries in the Nordic countries that use open, refillable dispensers, such as the manufacturing sector, food sector, paper pulp production, etc.

## Ingredients

---

Aqua, Sodium Laureth Sulfate (surfactant – anionic), Glycereth-2 Cocoate (thickener), Glycerin (moisturiser), Decyl Glycoside (surfactant – non-ionic), Sodium Cocoamphoacetate (surfactant – amphoteric), Sodium Chloride (thickener – table salt), Cocamidopropyl Betaine (surfactant – amphoteric), Phenoxyetanol (preservative), Cocamide-MEA (thickener), Glycol Stearate (pearlizing agent), Perfume, Citric Acid (pH regulator), Dioleyl Hydroxyethylmonium Methosulfate (conditioner), Benzoic Acid (preservative), Dihydroacetic Acid (preservative), Piroctone Olamine (preservative)
